MISSION STATEMENT

Roxbury Preparatory Charter School, a public school, prepares its students to enter, succeed in, and graduate from college. Roxbury Prep is founded on the philosophy that all students are entitled to and can succeed in college preparatory programs when: 1) the curriculum is rigorous, engaging, and well-planned; 2) the school emphasizes student character, community responsibility, and exposure to life's possibilities; and 3) a community network supports student academic, social, and physical well-being.

ACADEMIC PROGRAM

OVERVIEW

Academic Calendar

The academic year is divided into four quarters. All academic courses are one academic-year long. The middle school core curriculum includes courses in:

- Health
- History
- Math
- Physical Education
- Science
- Literacy
- Performing Arts

The High School Course Catalog is available upon request.

Academic Assessments

Standardized Tests

- The school prepares students to succeed on standardized tests required for high school graduation (MCAS) and essential for success in college (ISEE, SSAT, SAT, SAT II).
- Standardized test scores are used to help teachers develop strategies to improve the academic achievement of each student.

Interim Assessments (IAs)

Interim assessments are administered four times per academic year: the end of each quarter to measure student progress and at the end of the academic year to determine promotion.

STANDARDS OF PROMOTION – Middle School

Grading Scale

The standard grading scale for all middle school academic courses is as follows:

A+ = 97 – 100	B+ = 87 – 89	C+ = 77 – 79	D+ = 67 – 69	F = Below 60
A = 93 – 96	B = 83 – 86	C = 73 – 76	D = 63 – 66	
A- = 90 – 92	B- = 80 – 82	C- = 70 – 72	D- = 60 – 62	

Grades of Pass or Fail are given for Physical Education and Performing Arts.

Students earn course credit and promotion by passing their coursework and interim assessments (“IAs”) for each class:

- A student who does not have a passing final average of 60% a class does not earn credit for the course.

Consequences of not receiving credit for the year:

- Students who fail one or two classes may be retained or required to attend summer school to pass the failing classes.
- Students who fail Literacy and Math are required to repeat the grade.
- Students who fail 3 or more classes are required to repeat the grade.
- All promotion decisions are made at the discretion of the principal.

STANDARDS OF PROMOTION – High School

Grading Scale

The standard grading scale for all high school academic courses is as follows:

A =	93 – 100	4.00	B+ =	87 – 89	3.33	C+ =	77 – 79	2.33
A- =	90 – 92	3.67	B =	83 – 86	3.00	C =	73 – 76	2.00
			B- =	80 – 82	2.67	C- =	70 – 72	1.67
D+ =	67 – 69	1.33	F =	Below 60	0.00			
D =	63 – 66	1.00						
D- =	60 – 62	0.67						

Grades of Pass or Fail are given for Physical Education and Performing Arts.

Students earn course credit and promotion by passing their coursework and interim assessments (“IAs”) for each class:

- A student must attain a **70%** in each course to ensure promotion to the next grade level and course.

Consequences of not receiving credit for the year:

- Students who fail credit-specific classes are required to attend summer school or may be retained in order to pass classes they have failed during the school year and will need for Roxbury Preparatory High School diploma requirements.
- All promotion decisions are made at the discretion of the principal

For all questions families are encouraged to schedule a meeting with your student’s advisor or principal.

IN HOME OR HOSPITALIZATION INSTRUCTION PROGRAM

In accordance with 603 CMR 28.03(3)(C), Roxbury Prep provides an instructional program for any student who, in the judgment of the student's physician, will have to remain at home or in a hospital for a period of not less than fourteen days. As soon as it is known that the student will be absent from school, the principal will authorize a Home or Hospital Instruction program. Home Instruction may also be provided when a special education student has a valid signed Individualized Educational Plan indicating a Home Instruction Program.

A Home or Hospital Program is an extension of the school program. Curriculum may be delivered by a school-assigned tutor or a school staff member. The instructor will assist the student in maintaining adequate progress in school subjects, and the classroom teachers will assign the actual grades. The Principal will inform parents that their child is eligible for a Home or Hospital Program. The Principal will ensure services are delivered in accordance with policy and monitor until student is able to return to school

ATTENDANCE POLICY

Attendance is vital for the well-being of individual students and for the school community. For that reason, the school enforces the following attendance policy:

- Parents and guardians are encouraged to ensure that their children regularly attend school and are strongly discouraged from scheduling appointments for their children during school hours.
- Parents or guardians should call the school as early as possible, but no later than 7:30 AM, if their children cannot be at school for any part of the day.
- Absences are excused at the discretion of the school leaders only in the case of a verified illness, religious observance, court appearance, or school-imposed disciplinary action (i.e., suspension).
- Immediately upon returning to school, each student must submit to the Office Manager a detailed note—signed by a parent or guardian—that verifies the date(s) of absence(s) and explains the reasons for the absence(s). **Unless such a note is submitted the day of the student's return to school, the absence(s) may be considered unexcused.**
- Unexcused absences are never acceptable and may result in at least a .25% reduction in the student's final grade for each class missed. More than three unexcused absences in a quarter may result in no credit and a zero percent average in each class for the quarter. More than seven unexcused absences in a school year may result in no credit for the year. A student may appeal his or her no-credit status to the Principal of Director of Operations.
- It is incredibly important for students to arrive at school on time each day. Unexcused tardies are never acceptable. Three unexcused tardies may result in at least a .25% reduction in the student's final grades.
- A student may be assigned disciplinary consequences, including demerits or detention, pursuant to the disciplinary code, for being tardy and/or for unexcused absences.
- A mandatory family meeting with the Director of Students and/or the School Leaders may be required for any student with 3 or more unexcused absences or tardies.
- The school may involve agencies, the police, the judicial system, and/or other authorities if a student is repeatedly late to or absent from school.
- A student who misses five or more consecutive days of school without notifying the school or who enrolls in another school is subject to being unenrolled. In addition, parents may withdraw students verbally or in writing.

STUDENT CODE OF CONDUCT

Roxbury Preparatory Charter School campuses provide a safe and structured environment that promotes students' academic and social development. The disciplined environment is largely responsible for the school's academic success. Students who fail to meet the clearly defined standards for appropriate and acceptable conduct are not allowed to disrupt the education of others. Students are held accountable through clear consequences for violating the school's rules.

DISCIPLINARY INFRACTIONS

The list of punishable infractions is not exhaustive, but provides examples of prohibited conduct. These rules and regulations may be supplemented by teachers' rules for classes and other school events. Repeated infractions resulting in demerits and/or detention may lead to suspension. Suspended students are not entitled to participate in school activities. PROCEDURES FOR DISCIPLINARY ACTION

Demerits (or other campus-specific term) and Detention

If a student commits an infraction that calls for the assignment of demerits, detention, school service/cleaning, Saturday School or other in-school disciplinary action, s/he is subject to the following:

- The staff member addresses the conduct and assigns an appropriate consequence. The staff member may refer the matter to a school leader for review and possible additional disciplinary action. The consequences are implemented at the discretion of the Principal, Director of Operations, or their designee(s).
- If necessary, the student is removed from class.
- For the accumulation of demerits or other infractions, students may be assigned detention during or after school hours at the discretion of school administrators.
- Students who do not have their full morning uniform (tie, blue oxford shirt, vest etc.) by 7:45 AM will receive a school consequence. Parents will be called to bring the missing Dress Code items to the school, Students who do not have their full PE uniform by changing time will receive a school consequence. Students who have their full morning uniform with them but are not fully dressed (including shoes, tie, belt, etc.) by 7:45 AM, will be considered tardy and will receive a demerit.
- Students are responsible for transportation home when they are assigned to tutoring and for transportation to and from Saturday School.
- If the incident is not resolved or occurs again, further disciplinary action is taken. A parent or guardian may be required to meet with an administrator regarding infractions prior to a student's return to school.

Due Process for Disciplinary Removals and Services Pursuant to M.G.L. ch. 71, §37H¾

A student will not be excluded from school without being afforded appropriate due process as set forth below. If, however, a student's continued presence in school poses a danger to persons or property, or materially and substantially disrupts the order of the school, and, in the administrator's, judgment there is no alternative available to alleviate the danger or disruption, a student who is charged with a disciplinary infraction may be removed temporarily from school before receiving due process pursuant to an Emergency Removal (see below for more information).

Student and Parent/Guardian Rights under Massachusetts' law, M.G.L. c. 71 §37H^{3/4}

This section governs all student infractions that may be subject to short- or long-term suspensions that *do not* involve dangerous weapons, controlled substances, assault on school staff, felony or felony delinquency charges, and/or felony delinquency findings or admissions, all of which are governed by M.G.L. c.71 §§37H and 37H^{1/2}, as detailed above.

In every case of student misconduct for which suspension may be imposed, the principal is required to exercise discretion in deciding the consequence for the infraction, consider ways to re-engage the student in learning, and avoid using long-term suspension from school as a consequence until alternatives have been tried. The following document outlines student and parent rights when the principal is considering and/or decides to implement a removal from school (suspension or expulsion) as a consequence for student misconduct.

Removal from Privileges and Extracurricular Activities

The Principal or his/her designee may remove a student from privileges, such as extracurricular activities and attendance at school-sponsored events, based on the student's misconduct. A removal from privileges and/or extracurricular activities is not subject to the procedures set forth herein.

I. In-School Suspension. An in-school suspension is a removal of a student from regular classroom activities, but not from the school premises. The procedure for an in-school suspension of no more than (10) school days (consecutive or cumulatively for multiple infractions during the school year) will be as follows:

1. The administrator will inform the student of the disciplinary infraction charged, the basis for the charge, and provide the student an opportunity to respond. If the administrator determines that the student committed the disciplinary infraction, the administrator will inform the student of the length of the student's in-school suspension, which may not exceed 10 days, cumulatively or consecutively, in a school year.
2. On the same day as the in-school suspension decision, the administrator will make reasonable efforts to notify the parent orally of the disciplinary infraction, the reasons for concluding that the student committed the infraction, and the length of the in-school suspension. The administrator will also invite the parent to a meeting to discuss the student's academic performance and behavior, strategies for student engagement, and possible responses to the behavior. Such meeting will be scheduled on the day of the suspension if possible, and if not, as soon thereafter as possible. If the administrator is unable to reach the parent after making and documenting at least (2) attempts to do so, such attempts will constitute reasonable efforts for purposes of orally informing the parent of the in-school suspension.
3. The administrator will send written notice to the student and parent about the in-school suspension, including the reason and the length of the in-school suspension, and inviting the parent to a meeting with the principal for the purpose set forth above, if such meeting has not already occurred. The administrator will deliver such notice on the day of the suspension by hand-delivery, certified mail, first-class mail, email to an address provided by the parent for school communications, or by other method of delivery agreed to by the administrator and the parent.

An in-school suspension of more than 10 cumulative days in a school year will be subject to the procedures for long-term suspension found at page [].

II. Short-Term Suspensions

Short-term suspension means the removal of a student from the school premises and/or regular classroom activities for ten (10) consecutive school days or less. ROXBURY PREP uses two types of short term suspensions: In-School Suspension and Out-of-School Suspension. In-school suspension is the removal of a student from regular classroom activities, but not from the school premises, for no more than ten (10) consecutive school days, or no more than ten (10) school days cumulatively for multiple infractions during the school year. A student serving short-term suspension, whether In-School or Out-of-School, has the opportunity to earn credits, as applicable, and make up assignments, tests, papers, and other school work as needed to make academic progress during the period of his or her removal from the classroom or school. All student disciplinary infractions resulting in removal from the classroom, including short-term suspensions, are subject to due process procedures. Please see the **Due Process** section below for more information.

Except in the case of an Emergency Removal (see below), prior to imposing a short term out-of-school suspension (10 days or less in a school year) for conduct not covered by M.G.L. c. 71, §37H and 37H ½, an administrator will provide the student and his/her parent oral and written notice and an opportunity to participate in an informal hearing.

1. Notice: The written notice to the student and the parent will be in English and in the primary language of the home if other than English, or other means of communication where appropriate and will include the following:

- a) the disciplinary infraction;
- b) the basis for the charge;
- c) the potential consequences, including the potential length of the student's suspension;
- d) the opportunity for the student to have a hearing with the administrator concerning the proposed suspension, including the opportunity to dispute the charges and to present the student's explanation of the alleged incident, and for the parent to attend the hearing;
- e) the date, time, and location of the hearing;
- f) the right of the student and the student's parent to interpreter services at the hearing if needed to participate;

Written notice to the parent may be made by hand delivery, first-class mail, certified mail, email to an address provided by the parent for school communications, or any other method of delivery agreed to by the school and parent.

2. Efforts to Involve Parent: The administrator will make reasonable efforts to notify the parent of the opportunity to attend the hearing. To conduct a hearing without the parent present, the administrator must be able to document reasonable efforts to include the parent. The administrator is presumed to have made reasonable efforts if the administrator has sent written notice and has documented at least two (2) attempts to contact the parent in the manner specified by the parent for emergency notification.

3. Format of Hearing: The administrator will discuss the disciplinary infraction, the basis for the charge, and any other pertinent information. The student also will have an opportunity to present information, including mitigating facts, that the administrator should consider in determining whether other remedies and consequences may be appropriate. The administrator will provide the parent, if present, an opportunity to discuss the student's conduct and offer information, including mitigating circumstances, that the administrator should consider in determining consequences for the student.

4. Decision: The administrator will provide written notice to the student and parent of his/her determination and the reasons for it, and, if the student is suspended, the type and duration of suspension and the opportunity to make up assignments and such other school work as needed to make academic progress during the period of removal. The notice of determination may be in the form of an update to the original written notice of hearing.

III. Long-Term Suspensions

Long-term suspension is defined as the removal of a student from the school premises and regular classroom activities for more than ten (10) consecutive school days, or for more than ten (10) school days cumulatively for multiple disciplinary infractions in any school year. Pursuant to M.G.L. ch. 71, §37H^{3/4}, the Middle School Principal or High School Principal or designee may issue a long-term suspension if a student is in repeat, deliberate, and/or extreme violation of the school's code of conduct as set forth in the Student & Family Handbook. Long-term suspensions pursuant to M.G.L. ch. 71, §37H^{3/4} may not exceed ninety (90) consecutive days.

Except in the case of an Emergency Removal provided on page [], prior to imposing a long-term suspension (more than 10 days of suspension, whether in-school or out-of-school, whether consecutive or cumulative for multiple infractions during a school year), an administrator will follow the procedures for short-term suspension plus additional procedures as follows:

1. Notice: The notice will include all of the components for a short-term suspension in Section C above, plus the following:

- a) In advance of the hearing, the opportunity to review the student's record and the documents upon which the administrator may rely in making a determination to suspend the student or not;
- b) the right to be represented by counsel or a lay person of the student's choice, at the student's/parent's expense;
- c) the right to produce witnesses on his or her behalf and to present the student's explanation of the alleged incident, but the student may not be compelled to do so;
- d) the right to cross-examine witnesses presented by the school district;
- e) the right to request that the hearing be recorded by the administrator, and a copy of the audio recording provided to the student or parent upon request; and
- f) the right to appeal administrator's decision to impose long-term suspension to the Chief Operating Officer.

2. Format of Hearing: The Hearing will afford the rights set forth in the notice above. The administrator will also provide the parent, if present, an opportunity to discuss the student's conduct and offer information, including mitigating circumstances, that the administrator should consider in determining consequences for the student.

3. Decision: Based on the evidence, the administrator will determine whether the student committed the disciplinary infraction, and, if so, after considering mitigating circumstances and alternatives to long-term suspension, what remedy or consequence will be imposed, in place of or in addition to a long-term suspension. The administrator will send the written determination to the student and parent by hand-delivery, certified mail, first-class mail, email to an address provided by the parent for school communications, or any other method of delivery agreed to by the school and the parent. If the administrator decides to suspend the student on a long-term basis, the written determination will:

1. Identify the disciplinary infraction, the date on which the hearing took place, and the participants at the hearing;
2. Set out the key facts and conclusions reached;
3. Identify the length and effective date of the suspension, as well as a date of return to school;
4. Include notice of the student's opportunity to receive education services to make academic progress during the period of removal from school (if more than 10 cumulative days);
5. Inform the student of the right to appeal the administrator's decision to the Chief Operating Officer or designee. Notice of the right of appeal will be in English and the primary language of the home if other than English, or other means of communication where appropriate, and will include the following information stated in plain language:
 - a) the process for appealing the decision, including that the student or parent must file a written notice of appeal with the Chief Operating Officer within five (5) calendar days of the effective date of the long-term suspension; provided that within the five (5) calendar days, the student or parent may request and receive from the Chief Operating Officer an extension of time for filing the written notice for up to seven (7) additional calendar days; and that
 - b) the long-term suspension will remain in effect unless and until the Chief Operating Officer decides to reverse the administrator's determination on appeal.

No long-term suspension will extend beyond the end of the school year in which such suspension is imposed.

Continuation of Educational Services

Students serving an in-school suspension, short-term suspension, or long-term suspension have the opportunity to earn credits, as applicable, make up assignments, tests, papers, and other school work as needed to make academic progress during the period of his or her removal from the classroom or school. Students who are suspended under §37H³/₄ for more than ten (10) consecutive days, whether in school or out of school, are entitled to receive educational services during the period of suspension under ROXBURY PREP 's Education Service Plan, which is described below. If the student withdraws from the charter school and/or moves to another school district or public school during the period of suspension, the new school/district/district of residence shall either admit the student to its schools or provide educational services to the student under the new school or district's education service plan.

Services during Removals and School-Wide Education Service Plan

Students who are suspended from school for 10 or fewer consecutive days, whether in or out of school, have the opportunity to make academic progress during the period of suspension; make up assignments; and earn credits missed including, but not limited to, homework, quizzes, exams, papers and projects missed.

Roxbury Prep has developed a school-wide Education Service Plan for all students who are expelled or suspended from school for more than 10 consecutive school days, whether in or out of school. Principals shall ensure these students have an opportunity to make academic progress during the period of suspension or expulsion, to make up assignments and earn credits missed, including, but not limited to, homework, quizzes, exams, papers and projects missed.

Roxbury Prep's Education Service Plan is subject to change, and may include, but is not limited to, tutoring, alternative placement, Saturday school, and online or distance learning.

If Roxbury Prep expels a student or suspends a student for more than 10 consecutive school days, Roxbury Prep is required to provide the student and the parent/guardian of the student with a list of alternative educational services. Upon selection of an alternative educational service by the student and the student's parent/guardian, the school shall facilitate and verify enrollment in the service.

EXCEPTION FOR EMERGENCY REMOVAL

Notwithstanding the provisions for short or long-term suspension set forth above, a student who is charged with a disciplinary infraction may be removed temporarily from school if the continued presence of the student poses a danger to persons or property, or materially and substantially disrupts the order of the school, and, in the administrator's judgment, there is no alternative available to alleviate the danger or disruption.

The administrator will immediately notify the Chief Operating Officer in writing of the removal and the reason for it, and describe the danger [or disruption] by the student.

The temporary removal will not exceed two (2) school days following the day of the emergency removal, during which time the administrator will provide the following, as applicable to the length of suspension:

- Make immediate and reasonable efforts to orally notify the student and the student's parent of the emergency removal, the reason for the need for emergency removal, and other applicable matters;
- Provide written notice to the student and parent as provided in Section C or D above, as applicable;
- Provide the student an opportunity for a hearing with the administrator, as applicable, and the parent an opportunity to attend the hearing, before the expiration of the two (2) school days, unless an extension of time for hearing is otherwise agreed to by the administrator, student, and parent.
- Render a decision orally on the same day as the hearing, and in writing no later than the following school day.

An administrator may not remove a student from school on an emergency basis for a disciplinary infraction until adequate provisions have been made for the student's safety and transportation.

APPEAL TO THE CHIEF OPERATING OFFICER

If a decision by an administrator, following the parent meeting, results in suspension of a student for more than 10 cumulative school days for the school year, the student may appeal the decision to the Chief Operating Officer. In order to do so the student or parent must file a notice of appeal with the Chief Operating Officer within five (5) calendar days with a seven (7) day postponement option. The Chief Operating Officer must hold the hearing within three (3) school days of the student's request, unless the student or parent requests an extension of up to seven (7) additional calendar days. If the appeal is not filed within this time frame, the Head of School may deny the appeal, or may allow the appeal in his or her discretion, for good cause.

The following apply:

- The Head of School will make a good faith effort to include the parent in the hearing. The Chief Operating Officer will be presumed to have made a good faith effort if he or she has made efforts to find a day and time for the hearing that would allow the parent and Chief Operating Officer to participate. The Chief Operating Officer will send written notice to the parent of the date, time, and location of the hearing.
- The Chief Operating Officer will conduct a hearing to determine whether the student committed the disciplinary infraction of which the student is accused, and if so, what the consequence will be. The Chief Operating Officer will arrange for an audio recording of the hearing, a copy of which will be provided to the student or parent upon request. The Chief Operating Officer will inform all participants before the hearing that an audio record will be made of the hearing and a copy will be provided to the student and parent upon request.
- The student will have all the rights afforded the student at the administrator's hearing for long-term suspension as described in Section D above.
- The Chief Operating Officer will issue a written decision within five (5) calendar days of the hearing which meets the requirements for a long-term suspension as described in Section D above. If the Chief Operating Officer determines that the student committed the disciplinary infraction, the Chief Operating Officer may impose the same or a lesser consequence than

the administrator, but will not impose a suspension greater than that imposed by the administrator's decision.

The decision of the Chief Operating Officer constitutes the final decision of the school district.

IV. Expulsion

Expulsion is the permanent exclusion from School and can only apply pursuant to M.G.L. ch. 71, §37H and §37H½.

Misconduct may result in long-term suspension and/or expulsion under any of the following circumstances (See also M.G.L. ch. 71, §37H and 37H½ at page []):

- Pursuant to Massachusetts' law, M.G.L. c. 71 §37H, the Middle School Principal or High School Principal may expel a student or issue a long-term suspension for any of the following infractions:
 - Any time a student is found on school premises or at school-sponsored or school-related events, including athletic games, in possession of a controlled substance as defined in M.G.L. c. 94C, including, but not limited to, marijuana, cocaine, and heroin, and certain prescription medications;
 - Any time a student is found on school premises or at school-sponsored or school-related events, including athletic games, in possession of a dangerous weapon*, including, but not limited to, a gun or a knife; and
 - Any time a student assaults a principal, assistant principal, teacher, teacher's aide or other educational staff on school premises or at school-sponsored or school-related events, including athletic games.

*This includes not only knives and guns, explosive devices and realistic replicas of such weapons/devices, but also other objects used to assault another person or to otherwise create a dangerous situation, such as a baseball bat, a pair of scissors, matches or a lighter. While such objects would not always constitute "dangerous weapons", administrators and educational professionals will review the circumstances of each case and make a reasonable determination about whether a particular object in a student's possession constitutes a dangerous weapon in the school setting. Any illegal weapon will be turned over to the Police Department. Any student who brings a firearm to school must be expelled for a minimum of one school year, with exceptions granted only by the Chief Operating Officer. (The definition of a firearm includes but is not limited to guns (including a starter gun), bombs, grenades, rockets, missiles, mines and similar devices.)

- Pursuant to Massachusetts' law, M.G.L. c. 71 §37H1/2, the Principal may also issue a long-term suspension if a student is charged with a felony and the continued presence of the student would have a substantial detrimental effect on the general welfare of the school. That student may be expelled from school if the student is convicted, or is found guilty (by

admission or adjudication), of the felony and the student's continued presence would have a substantial detrimental effect on the general welfare of the school.

PROCEDURES APPLICABLE TO CONDUCT COVERED BY M.G.L. C. 71, §37H AND 37H ½

Student and Parent / Guardian Rights under Massachusetts' law, M.G.L. c. 71 §37H

When considering the exclusion of a student from school for possession of a dangerous weapon, possession of a controlled substance (such as marijuana, cocaine, or prescription drugs not authorized by the school nurse), or assault on teachers, an administrator may place a student on short term suspension (ten days or less) based upon an informal hearing, to be followed by a formal hearing before the Principal within that period of suspension to determine whether to take additional disciplinary action, up to and including expulsion from school.

1. The informal hearing will be in the form of a conference between the student and the principal or designee. At this conference, the student (1) shall be informed of the reason for the conference, (2) shall be given the opportunity to present his or her side of the story, and (3) shall be given a decision on the suspension. If the administrator deems delay of the hearing necessary to avoid danger or substantial disruption, this process may occur immediately after, rather than before, the suspension.

2. Prior to putting a suspension into effect, the principal or designee shall make a reasonable effort to telephone and inform the student's parent or guardian of the impending suspension; this shall include attempts to contact the parents or guardian at home and at work. Parents may contact the school for additional information regarding the suspension.

3. Formal Hearing. Any student who is charged with any of the misconduct detailed above has an opportunity for a formal hearing before the Middle School or High School Principal. At the hearing, the student may have representation at his or her own expense, along with the opportunity to present evidence and witnesses at said hearing before the principal. After said hearing, the principal may, in his or her discretion, decide to suspend rather than expel a student who has been determined by the principal to have committed the misconduct detailed above. The student is entitled to this hearing prior to an expulsion or prior to a suspension reaching more than ten (10) days in length, and the following procedures will apply:

- The student shall receive written notice of the following:
 - Charges and a statement of the evidence;
 - Date, time and place of a hearing;
 - Notice of the right at the hearing to:
 - Be represented by their parents, legal or other representative (at the student's /parent's own expense)
 - Present evidence.

- Confront and cross-examine witnesses.
- The school will record (by tape or other appropriate means) the hearing and a copy of such will be made available to the student upon request.
- Notices and proceedings will be translated into the student's/parent's primary language if necessary for their understanding of the proceedings.
- A student and/or parent, upon request, will have the right to review the student's records in accordance with the Massachusetts Student Records Regulations or other applicable law.
- The hearing will be conducted by the Middle School or High School Principal.
- Decisions shall be put in writing and sent to the student and parents.

Appeals to Expulsions or Long-Term Suspensions under §37H

Any student who has been expelled or suspended long-term from ROXBURY PREP pursuant to GL c. 71 §37H shall have the right to appeal to the Chief Operating Officer. The expelled or suspended student shall have ten days from the date of the expulsion or long-term suspension in which to notify the Chief Operating Officer, in writing, of his or her appeal. The student has the right to counsel, at his or her own expense, at a hearing before the Chief Operating Officer. At the appeal hearing, the student shall have the right to present oral and written testimony on his/ her behalf, and shall have the right to counsel. The subject matter of the appeal shall not be limited solely to a factual determination of whether the student has violated any provisions of this section. The Chief Operating Officer shall render a decision on the appeal. Such decision shall be the final decision of the school.

Student and Parent / Guardian Rights under Massachusetts' law, M.G.L. c. 71 §37H1/2

This Notice of Student and Parent Rights applies to student misconduct that involves student criminal or felony delinquency charges, findings, or admissions.

Suspension Following Criminal or Felony Delinquency Complaint

Upon the issuance of a criminal or felony delinquency complaint against a ROXBURY PREP student, the Middle School or High School Principal may suspend such student for a period of time determined appropriate by the principal if he or she determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school. The student is entitled to receive written notification of the charges and the reasons for such suspension prior to such suspension taking effect. The student shall also receive written notification of his or her right to appeal and the process for appealing such suspension; provided, however, that such suspension shall remain in effect prior to any appeal hearing conducted by the Chief Operating Officer.

Expulsion Following Felony Adjudication or Admission

Upon a Roxbury Prep student being convicted of a felony or upon an adjudication or admission in court of guilt with respect to such a felony or felony delinquency, the Middle School or High School

Principal may expel said student if the principal determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school. The student shall receive written notification of the charges and reasons for such expulsion prior to such expulsion taking effect. The student shall also receive written notification of his right to appeal and the process for appealing such expulsion; provided, however, that the expulsion shall remain in effect prior to any appeal hearing conducted by the Chief Operating Officer.

Appeals to Expulsions or Suspensions under §37H1/2

The student shall have the right to appeal the expulsion or suspension to the Chief Operating Officer. The student shall notify the Chief Operating Officer, in writing, of his request for an appeal no later than five calendar days following the effective date of the expulsion or suspension. The Chief Operating Officer shall hold a hearing with the student and the student's parent/guardian within three calendar days of the student's request for an appeal. At the hearing, the student shall have the right to present oral and written testimony on his or her behalf, and shall have the right to counsel. The Chief Operating Officer shall have the authority to overturn or alter the decision of the principal, including recommending an alternate educational program for the student. The Chief Operating Officer shall render a decision on the appeal within five calendar days of the hearing. The Chief Operating Officer's decision shall be the final decision of Roxbury Prep with regard to the expulsion or suspension.

Continuation of Educational Services under M.G. L. ch. 71, §37H and §37H½

Any student who is removed from school for a disciplinary infraction under G.L. c. 71, §37H or §37H½ for more than ten consecutive days will have an opportunity to receive educational services and make academic progress during the period of removal under a school-wide education service plan, which is described below, and will be so informed at the time of the suspension/expulsion. If the student withdraws from the charter school and/or moves to another school district during the period of suspension or expulsion, the new school/district/district of residence shall either admit the student to its schools or provide educational services to the student under the new school or district's education service plan.

DISCIPLINE OF STUDENTS WITH SPECIAL NEEDS AND 504 PLANS

Federal and state law provide certain procedural rights and protections relating to discipline of students who have been identified under such laws as having special needs based upon a disability. The special education disciplinary rules also apply to some students who have not yet been found eligible for special education. If, prior to the conduct in question, the parent has put his or her concern that the student's has a possible disability in writing to supervisory or administrative personnel or the student's teacher; if the teacher or other staff has expressed concerns about the student's pattern of behavior directly to the director of special education or other supervisory personnel, or if the student has been referred for an evaluation that has not yet been completed these special rules apply. The special education disciplinary rules do not apply if the parent has refused to consent to the evaluation, if the student has previously been found to be not eligible for special education, or if the parent has revoked consent to special education and related services.

In general, students may be excluded from their programs, just as any other student can be, for up to ten school days per year. However, when a student is excluded from his/her program for more than ten school days in the school year, school staff may be required to provide alternative educational services for the student. In addition, in many instances, the student's Team must convene to determine whether the student's behavior was a direct result of his/her disability (a "manifestation determination").

Change in Placement: Long-Term Suspension or Expulsion

- A change of placement occurs if a student is removed for more than 10 consecutive school days or is subjected to a series of removals that constitute a pattern of behavior and cumulate to more than 10 school days in a school year. To determine if there is a pattern of behavior, consider the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.
- In the case of a change in placement, a Team meeting will be held within 10 days of the school's decision to impose the discipline to determine if the student's conduct was a manifestation of his/her disability.

Manifestation Determination Meeting

- The student's IEP Team meets to determine, after review of all relevant information in the student's file including the IEP, teacher observations, and relevant information provided by the parents, whether (1) the conduct in question was caused by or had a direct and substantial relationship to the student's disability; *or* (2) the conduct in question was the direct result of the district's failure to implement the student's IEP. 34 CFR § 300.530(e).
- If the team determines that the student's behavior was *not* caused by or directly related to the student's disability or the failure to properly implement the IEP, then a student with a disability will be disciplined in the same manner and for the same length of time as other students are disciplined for the same infraction. The student will receive, as appropriate, a functional behavioral assessment and a behavior intervention plan designed to address the behavior violation.
- If the Team determines that the student's behavior was caused by or directly related to the student's disability or the failure to properly implement the IEP, then the student will be returned to the last approved IEP placement unless the parents and the IEP Team decide on a different placement. The student will also be provided a functional behavioral assessment and a behavior intervention plan designed to address the behavior or, if the student had a functional behavioral assessment and a behavioral intervention plan prior to the removal, the Team will review the plan and modify it, as necessary, to address the behavior. If the behavior was caused by the failure to properly implement the IEP, the school will take immediate steps to remedy the deficiencies.

School personnel may order a change in the placement of a student with a disability to an interim alternative educational setting for not more than forty-five (45) days if a student:

- (1) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function;
- (2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- (3) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function.

Additionally, a Massachusetts Department of Education Hearing Officer, under certain circumstances, may order a change in the placement of a student with disabilities eligible for Special Education to an interim alternative educational setting for not more than forty-five (45) days.

Student Searches

The School authorizes the Principal and the Principal's designee(s) to conduct searches of students and their belongings if the authorized school official has reasonable suspicion to believe that the search will result in evidence that the student violated the law or the School's Code of Conduct or otherwise constituted a threat to the health, safety, welfare, or morals of the School, other students, school personnel, or any other person lawfully on school property or attending a school function. In authorizing searches, the School acknowledges both state and federal constitutional rights which are applicable to personal searches of students and searches of their possessions.

An authorized school official may search a student or the student's belongings based upon information received from a reliable informant. Individuals, other than the School's employees, will be considered reliable informants if they have previously supplied information that was accurate and verified, they make an admission against their own interest, they provide the same information that is received independently from other sources, or they appear to be credible and the information they are communicating related to an immediate threat to safety. School employees will be considered reliable informants unless they are known to have previously supplied information that they knew was not accurate.

Students may be subject to personal searches and searches of their possessions where reasonable individualized suspicion exists to conduct such search. Reasonable individualized suspicion to conduct a search of a student or a student's possessions and the scope of the particular search shall be based upon, among other things, the student's age, the prevalence and seriousness of the problem to which the search is directed, the urgency necessitating an immediate search, and the probative value and reliability of information used as justification for the search.

Students have no reasonable expectation of privacy rights in school lockers, cubbies, desks, or other school storage places. The School exercises overriding control over such school property, which may be opened and subjected to inspection at any time by school officials.

INTERNET SECURITY POLICY AND USE OF TECHNOLOGY

UNDESIRABLE MATERIALS

The school will take all possible precautions to restrict access to undesirable materials including, but not limited to, installing content filtering software/hardware solutions on its network or using an Internet provider which uses content filtering software on its equipment to screen all Internet web sites by URL and/or by keyword search. However, students must also accept responsibility for restricting access to these materials. Students who gain access to undesirable Internet materials must report this material to their teacher.

SECURITY

Students must not allow others to use their network accounts (both Internet and School accounts). Network storage areas may be treated like school lockers. Designated school personnel may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on school file servers will always be private.

SOCIAL MEDIA

Student use of social media is not allowed without approval from the Computer teacher.

COPYRIGHT AND CITATIONS

Any copyrighted materials are subject to the Fair Use provision of copyrighted materials as it relates to education. Internet materials used in reports or other documents must be cited. If there is no direct citation, the Uniform Resource Location (URL) must be cited. The use of internet sources without proper citation constitutes plagiarism.

DOWNLOADING

Downloading from the Internet without approval from a teacher is not allowed.

PRIVATE INTERNET PROVIDERS

Students may not use school computers to access private Internet providers.

ACCEPTABLE INTERNET USAGE AND DISCIPLINE

The School will ensure age-appropriate internet usage among students who use its internet facilities. This will enforce the School's commitment to student safety with regard to:

- i. safety on the Internet;
- ii. appropriate behavior while on online, on social media; and
- iii. cyberbullying awareness and response.
- iv. Students should refrain from using profane language online or while on school supplied laptops, this includes abusive, obscene, harassing, defamatory, or offensive speech;
- v. distribution of spam messaging via any online communications are strictly prohibited;
- vi. Students and staff are prohibited from impersonating a teacher, student, or any other individual online;
- vii. Access is prohibited to illegal sites and activities including sexually oriented and pornographic materials, materials related to illicit substances, materials related to online gambling, or harmful material;
- viii. students and staff are prohibited from using the school hardware or network to participate in activities that contribute to financial gain;
- ix. students and staff are prohibited from destroying any hardware or software; and
- x. override of any online content filtering is strictly prohibited.

Students that commit any of the prohibited actions listed above will be referred to their Dean and the Director of Instructional Technology to discuss disciplinary action and network privileges. Possible disciplinary actions include:

- Parent conference with School Administration;
- Restoration or Restitution; and
- Suspension of network privileges at Roxbury Prep.

NO REASONABLE EXPECTATION OF PRIVACY

Students should have no expectation of privacy when using or communicating on a school supplied laptop or over the school network. This includes parents and guardians that use their students' computer and visitors that access the school visitor network while on campus. Roxbury Prep reserves the right, without prior notice or consent, to monitor, log, and access any and all activity on student devices and on the school network. Students, parents, and guardians agree and consent to such monitoring by using a student laptop device or accessing the Roxbury Prep network.

POLICIES RELATED TO HIGH SCHOOL CHROMEBOOKS AND TECHNOLOGY USE

HIGH SCHOOL CHROMEBOOKS

Students will receive a Chromebook owned by the school and will use the same Chromebook throughout the four years they are at RPHS. Chromebooks, power cords, a carrying sleeve, and a micro-fiber cloth will be distributed to students in August. Students will then be fully responsible for the care and maintenance of their Chromebook, including transporting it to and from school and caring for it on evenings, weekends and holidays for students who choose to purchase their Chromebook and therefore take it home. In order to pick up their Chromebook, each student must ensure that the following requirements have been met:

- All enrollment documentation, including release forms, have been submitted and received by the school; The Technology Contract has been signed by the student and their Parent/Guardian.
- A full or partial payment has been made for families who choose to purchase their Chromebook.

Students that have not completed these requirements must ask their parent(s)/guardian(s) to contact the school to make any necessary arrangements.

All students receive a Chromebook owned by the school for use when on campus. All families have the option to choose to buy their Chromebook at a cost of \$350, which will cover the cost of their student's Chromebook, a carrying sleeve, a micro-fiber cloth, and a 1-year insurance plan. Students whose families choose to purchase their Chromebook will be permitted to take their Chromebook home with them on evenings, weekends, and holidays; otherwise, students must leave their Chromebooks at school with them at the end of each day. Students will still be expected to complete assignments online by using a computer at home or at their local library branch.

Families who choose to purchase their Chromebook have the option to pay for it in full or over three installments. Families who decide to pay over installments must make the initial payment by August 10, 2016, with equal payments every six weeks thereafter. Any family requiring additional time to complete payment of the Technology Fee should make arrangements with the Director of Operations or the Director of Culture and Climate.

Chromebooks will be ordered, owned (unless purchased by the family), managed, and maintained by Roxbury Prep High School while the student is enrolled at RPHS. Upon graduation or transferring to another school, any student that has fully paid the technology fee will be allowed to keep the original Chromebook and carrying sleeve.

For network security and instructional reasons, all students must use the RPHS Chromebook that is provided by the school while at school. Personal computers, even Chromebooks, will not be allowed access to the school's wireless network.

GENERAL CARE OF LAPTOPS

Students are expected to take care of their laptop devices. Students and staff should be careful to keep all liquids away from laptops. Additionally, food and drink should not be consumed on or near devices.

Laptops should be carried in the closed position, with the power cord disconnected and neatly wrapped up. Do not lift the devices by the screen or while they are open. Heavy objects should never be placed on laptops while carrying them or while on the desk.

Students are expected to come to school every day with their laptop fully charged and muted. While charging, laptops should be placed on a hard surface in a well-ventilated area, outside of the protective cases, with nothing on top of the device.

Laptops are not to be vandalized; this includes writing, drawing, stickers, and labels.

TRANSPORTING LAPTOPS

Students should always take precautions when transporting laptops between classes and between home and school. Laptops should always be placed in their protective cases during transport. No objects should be stored in the protective case with the laptop, nor should anything be kept between the laptop screen and the keyboard during transport. Students should avoid having heavy books or objects stored in the same bag as laptops.

For the safety of all RPHS students, laptops should be kept concealed in a backpack or bag while on public transportation.

MAINTENANCE POLICY

Students with broken or malfunctioning laptops should contact the IT Specialist to get their laptop repaired and to get a loaner laptop. Defects and malfunctions covered under the manufacturer warranty will be handled by the IT Specialist, but will be processed through the vendor. All other defects and problems will be repaired by the IT Specialist at RPHS with the annual maintenance fees required from all families.

Loaner laptops will be supplied to students while their laptops are being repaired. Students will be required to sign a loaner agreement in order to receive a loaner laptop.

OPTIONAL LAPTOP INSURANCE

Students and parents/guardians will be given the opportunity to purchase laptop insurance from a third-party vendor that has an agreement with RPHS. The insurance covers wear and tear along with other maintenance issues that are not covered by the one-year manufacturer warranty.

CLASSROOM AND SCHOOL USE EXPECTATIONS

RPHS teachers and advisors expect students to have their laptops at school every day. Students that forget their laptop at home will have the opportunity to check-out a loaner laptop; provided they sign a loaner agreement and have the laptop returned by the end of the school day. Students that repeatedly forget to bring their laptops to school will be referred to the Dean to determine loaner eligibility and disciplinary actions.

TELEPHONES

Students are prohibited from using school telephones. In the event of an emergency, students may be allowed to use school telephones, but only at the discretion of school staff members.

DRESS CODE

The school enforces a Dress Code to create a sense of community and to ensure that students focus on learning instead of clothing. Clothing and accessories that could create disruption or disorder or that do not conform to standards of health, safety, and cleanliness are not allowed. Parents must pick up children who are not properly dressed for school, bring the missing Dress Code items to the school, or authorize the student to return home to retrieve the necessary items as students may not be permitted to attend class without the proper uniform. Violations of the dress code may result in disciplinary consequences pursuant to the Code of Conduct. The Dress Code policy are specific to each campus and will be defined for families during student orientations. :

Clothing worn by students at Roxbury Preparatory Charter School should emphasize the fact that the school is both a community and a place of work. Students should dress in a way that expresses their membership in the community and that suits the standards of a workplace. Their attire should be neat and tidy and should conform to the Roxbury Prep uniform at all times.

Roxbury Prep's uniform for middle school students consists of:

- Students cannot alter their uniforms, including their gym uniforms, in any way (e.g. writing/drawing, ragging, slicing, cutting, etc.).

A student may not be admitted to class if his/her attire does not meet the requirements listed above. The Principal should be consulted if there are any questions about whether a particular item of clothing meets the requirements of the above policy. Further, the Principal, the Dean of Students, and the faculty reserve the right to restrict individual items of clothing as necessary, given notification of a parent or guardian, if such clothing interferes with normal school activities. Roxbury Prep reserves the right to amend the dress code for designated school functions or privileges.

CANCELLATION DUE TO POOR WEATHER CONDITIONS

In the event of poor weather conditions, please listen to local television or radio stations for information about school cancellation. Roxbury Prep follows the same cancellation decisions as Boston Public Schools—if BPS is closed, Roxbury Prep is closed.

DISMISSAL

- Monday, Tuesday, Wednesday, and Thursday, school ends at approximately 4:00 P.M.
- On Friday afternoons, students depart school at approximately 12:30 PM.
- Unless a parent/guardian contacts the school, and the school has granted permission, no student is dismissed early from school.

Should an early dismissal be required, a parent or guardian should contact the school in advance. In order to minimize disruptions to class, we ask that notification regarding early dismissals be made as far in advance as possible, but no later than 7:45 AM of the day of the early dismissal. We also ask that doctor and dentist appointments be limited to non-school hours whenever possible to avoid students missing class time.

Students will not be dismissed unless a parent, guardian or designated emergency contact has come to the Main Office. If we do not have a signed form designating an individual as an emergency contact and/or if we are not able to corroborate the identity of a contact with proper ID, we will be

unable to release your child. Students who repeatedly miss the same classes as a result of early dismissals may be required to make up missed class time and may earn full-day absences as a result.

TRANSPORTATION

BPS provides transportation to students in grades 5-6 who live outside a 1.5 mile radius of the school, and MBTA passes for all other eligible students.

SCHOOL BREAKFAST, SNACK AND LUNCH POLICIES

- Students are provided with breakfast.
- Students may bring lunch from home or receive lunch at school. Lunch orders must be submitted during Monday morning Advisory for the week.
- The school participates in the Community Eligibility option which provides free breakfast and lunch to all students.

HEALTH POLICIES

- If the staff determines that a child needs to see a doctor or has a contagious illness, the school requests that parents/guardians take the child home.
- If a student requires medication of any kind (including Tylenol, aspirin, and asthma inhalers):
 - An Authorization to Dispense Medication form must be submitted
 - The medication must be given to the nurse or Office Manager by a parent/guardian in the original container
- Any student who carries an asthma inhaler with him or her must provide:
 - An Authorization to Dispense Medication form stating that the student needs to carry the inhaler with him/her
 - A second inhaler that is kept in the nurse's office or with the Office Manager
- Students with serious injuries are taken to the hospital for emergency medical care and the parent(s) or guardian(s) are notified immediately.

MEDICAL RECORDS

The school is required to have the following medical records on file:

- Massachusetts School Health Record documenting a physical exam in the 12 months before the start of the school year, up-to date immunizations, and vision, hearing, and scoliosis screenings.
- Authorization to Dispense Medication form including instructions and signature of the physician who ordered the medication and signed by a parent/guardian; this is required for the school to dispense any medication.
- Health Information Form that includes a student's emergency contacts, names of health care providers, insurance information, and permission to initiate emergency medical treatment if a parent/guardian cannot be reached; a student may be prohibited from attending school if this has not been submitted.

STUDENT AND FAMILY RECORDS

Federal and state laws provide parents and eligible students (those who are age 14 or older) with rights of confidentiality, access, and amendment relating to student records. Copies of the Massachusetts Student Records Regulations (“Regulations”), detailing these rights, are available from the Principal or Director of Operations. The following is a general overview of the provisions in the Regulations:

- **Access and Amendment:** A parent or eligible student has a right to access student records and to seek their amendment if the parent or eligible student believes them to be inaccurate, misleading, or otherwise in violation of the student's privacy rights. In order to obtain access or to seek amendment to student records, please contact the Principal or Director of Operations.
- **Confidentiality:** Release of student records generally requires consent of the parent or eligible student. However, the Regulations provide certain exceptions. For example, staff employed or under contract to the district have access to records as needed to perform their duties. The school also releases a student's complete student record to authorized school personnel of a school to which a student seeks or intends to transfer without further notice to, or receipt of consent from, the eligible student or parent. Please see the Regulations for a description of other circumstances in which student records may be released without the consent of a parent or eligible student.
- **Directory Information:** Pursuant to regulations, directory information for students and families will not be released to unauthorized or undisclosed individuals without prior notification and written consent from families. MGL c. 71, §34H governs access to student records by a parent who does not have physical custody of a student. Generally, Section 34H requires a non-custodial parent seeking access to submit a written request and other documentation to the principal on an annual basis. Parents who have questions or concerns regarding access to records by non-custodial parents are requested to contact the Director of Operations for detailed information regarding the procedures that must be followed under Section 34H.

ANTI-DISCRIMINATION POLICY

Roxbury Prep values and embraces its inclusive and diverse school communities and strives to provide a welcoming, safe and supportive environment for all students and families regardless of their race, color, ethnicity, religion, gender, disability, sexual orientation and gender identity. If a student or his or her family would like to explore a particular accommodation based upon cultural or religious practices, or due to one's disability, sexual orientation, or gender identity, the student or the student's parents or guardian should contact a School Leader or adult the student feels comfortable with to schedule a meeting to discuss a plan to address the student's particular circumstances and needs.

The school does not discriminate in admission to, access to, treatment in, or employment in its services, programs and activities, on the basis of race, color or national origin, in accordance with Title VI of the Civil Rights Act of 1964 (Title VI); on the basis of sex, in accordance with Title IX of the Education Amendments of 1972; on the basis of disability, in accordance with Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 (ADA); or on the basis of age, in accordance with the Age Discrimination in Employment Act of 1974 (ADEA). In

addition, no person shall be discriminated against in admission to Roxbury Prep on the basis of race, sex, color, creed, sex, gender identity, ethnicity, sexual orientation, mental or physical disability, age, ancestry, athletic performance, special need, proficiency in the English language or a foreign language, prior academic achievement or housing status, as required by M.G.L. c. 71, §89(I); 603 CMR 1.06(1). Finally, no person shall be discriminated against in obtaining the advantages, privileges or access to the courses of study offered by the school on the basis of race, sex, color, gender identity, religion, national origin, sexual orientation or housing status as required by M.G.L. c. 76, § 5.

Each such group, team or organization shall distribute a copy of this section and sections seventeen and eighteen to each of its members, plebes, pledges or applicants for membership. It shall be the duty of each such group, team or organization, acting through its designated officer, to deliver annually to the institution an attested acknowledgement stating that such group, team or organization has received a copy of this section and said sections seventeen and eighteen, that each of its members, plebes, pledges, or applicants has received a copy of sections seventeen and eighteen, and that such group, team or organization understands and agrees to comply with the provisions of this section and sections seventeen and eighteen.

HARASSMENT POLICY

The school is committed to maintaining a school environment free of harassment based on race, color, religion, national origin, age, gender identity, gender, sexual orientation, disability or housing status. Harassment by administrators, certified and support personnel, students, vendors and other individuals at school or at school-sponsored events is unlawful and is strictly prohibited. Roxbury Prep requires all employees and students to conduct themselves in an appropriate manner with respect to their fellow employees, students and all members of the school community.

Harassment includes communications such as jokes, comments, innuendoes, notes, display of pictures or symbols, gestures, or other conduct that offends or shows disrespect to others based upon race, color, religion, national origin, age, gender identity, gender, sexual orientation, disability, or housing status.

By law, what constitutes harassment is determined from the perspective of a reasonable person with the characteristic on which the harassment is based. What one person may consider acceptable behavior, may reasonably be viewed as harassment by another person. Therefore, individuals should consider how their words and actions might reasonably be viewed by other individuals. It is also important for individuals to make it clear to others when a particular behavior or communication is unwelcome, intimidating, hostile or offensive.

While all types of harassment are prohibited, sexual harassment requires particular attention. Sexual harassment includes sexual advances, requests for sexual favors, and/or other verbal or physical conduct of a sexual nature when:

1. Acceptance of or submission to such conduct is made either explicitly or implicitly a term or condition of employment or education.
2. The individual's response to such conduct is used as a basis for employment decisions affecting an employee or as a basis for educational, disciplinary, or other decisions affecting a student.
3. Such conduct interferes with an individual's job duties, education or participation in extra-curricular activities.
4. The conduct creates an intimidating, hostile or offensive work or school environment.

Harassment in any form or for any reason is absolutely forbidden. This includes harassment by administrators, certified and support personnel, students, vendors and other individuals in school or at school related events. In addition, retaliation against any individual who has brought harassment or other inappropriate behavior to the attention of the school or who has cooperated in an investigation of a complaint under this policy is unlawful and will not be tolerated by Roxbury Prep.

Persons who engage in harassment or retaliation may be subject to disciplinary action, including, but not limited to, reprimand, suspension, termination/expulsion or other sanctions as determined by the school administration and/or Board of Trustees, subject to applicable procedural requirements.

II. Contents of Complaints and Timelines for Filing.

Complaints under this Grievance Procedure must be filed within 30 school days of the alleged discrimination. The complaint must be in writing. The Grievance Administrator or any person of the grievant's choosing may assist the grievant with filing the complaint. The written complaint must include the following information:

1. The name and school (or address and telephone number if not a student or employee) of the grievant.
2. The name (and address and telephone number if not a student or employee) of the grievant representative, if any.
3. The name of the person(s) alleged to have caused the discrimination or harassment (respondent).
4. A description, in as much detail as possible, of the alleged discrimination or harassment.
5. The date(s) of the alleged discrimination or harassment.
6. The name of all persons who have knowledge about the alleged discrimination or harassment (witnesses), as can be reasonably determined.
7. A description, in as much detail as possible, of how the grievant wants the complaint to be resolved.

III. Investigation and Resolution of the Complaint.

Respondents will be informed of the charges as soon as the Grievance Administrator deems appropriate based upon the nature of the allegations, the investigation required, and the action contemplated.

The Grievance Administrator will interview witnesses whom s/he deems necessary and appropriate to determine the facts relevant to the complaint, and will gather other relevant information. Such interviews and gathering of information will be completed within fifteen (15) school days of receiving the complaint.

Within twenty (20) school days of receiving the complaint, the Grievance Administrator will meet with the grievant and/or her/his representative to review the information gathered and, if applicable, to propose a resolution designed to stop the discrimination or harassment.

and to correct its effect. Within ten (10) school days of the meeting with the grievant and/or representative, the Grievance Administrator will provide written disposition of the complaint to the grievant and/or representative and to the respondent(s).

Notwithstanding the above, it is understood that in the event a resolution contemplated by Roxbury Prep involves disciplinary action against an employee or a student, the complainant will not be informed of such disciplinary action, unless it directly involves the complainant (i.e., a directive to “stay away” from the complainant, as might occur as a result of a complaint of harassment).

Any disciplinary action imposed upon an employee or student is subject to applicable procedural requirements.

All the time lines specified above will be implemented as specified, unless the nature of the investigation or exigent circumstances prevent such implementation, in which case, the matter will be completed as quickly as practicable. If the time lines specified above are not met, the reason(s) for not meeting them must be clearly documented. In addition, it should be noted that in the event the respondent is subject to a collective bargaining agreement which sets forth a specific time line for notice and/or investigation of a complaint, such time lines will be followed.

Confidentiality of grievant/respondents and witnesses will be maintained, to the extent consistent with Roxbury Prep’s obligations relating to investigation of complaints and the due process rights of individuals affected.

Retaliation against someone because he/she has filed a complaint under this Grievance Procedure is strictly prohibited. Acts of retaliation may result in disciplinary action, up to and including suspension or expulsion/discharge.

Chapter 71: Section 37H1/2.

Felony complaint or conviction of student; suspension; expulsion; right to appeal

(1) Upon the issuance of a criminal complaint charging a student with a felony or upon the issuance of a felony delinquency complaint against a student, the principal or headmaster of a school in which the student is enrolled may suspend such student for a period of time determined appropriate by said principal or headmaster if said principal or headmaster determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school. The student shall receive written notification of the charges and the reasons for such suspension prior to such suspension taking effect. The student shall also receive written notification of his right to appeal and the process for appealing such suspension; provided, however, that such suspension shall remain in effect prior to any appeal hearing conducted by the superintendent.

The student shall have the right to appeal the suspension to the superintendent. The student shall notify the superintendent in writing of his request for an appeal no later than five calendar days following the effective date of the suspension. The superintendent shall hold a hearing with the student and the student's parent or guardian within three calendar days of the student's request for an appeal. At the hearing, the student shall have the right to present oral and written testimony on his behalf, and shall have the right to counsel. The superintendent shall have the authority to overturn or alter the decision of the principal or headmaster, including recommending an alternate educational program for the student. The superintendent shall render a decision on the appeal within five calendar days of the hearing. Such decision shall be the final decision of the city, town or regional school district with regard to the suspension.

(2) Upon a student being convicted of a felony or upon an adjudication or admission in court of guilt with respect to such a felony or felony delinquency, the principal or headmaster of a school in which the student is enrolled may expel said student if such principal or headmaster determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school. The student shall receive written notification of the charges and reasons for such expulsion prior to such expulsion taking effect. The student shall also receive written notification of his right to appeal and the process for appealing such expulsion; provided, however, that the expulsion shall remain in effect prior to any appeal hearing conducted by the superintendent.

The student shall have the right to appeal the expulsion to the superintendent. The student shall notify the superintendent, in writing, of his request for an appeal no later than five calendar days following the effective date of the expulsion. The superintendent shall hold a hearing with the student and the student's parent or guardian within three calendar days of the expulsion. At the hearing, the student shall have the right to present oral and written testimony on his behalf, and shall have the right to counsel. The superintendent shall have the authority to overturn or alter the decision of the principal or headmaster, including recommending an alternate educational program for the student. The superintendent shall render a decision on the appeal within five calendar days of the hearing. Such decision shall be the final decision of the city, town or regional school district with regard to the expulsion.

Any school district that suspends or expels a student under this section shall continue to provide educational services to the student during the period of suspension or expulsion, under section 21 of chapter 76. If the student moves to another district during the period of suspension or expulsion, the new district of residence shall either admit the student to its schools or provide educational services to the student under an education service plan, under section 21 of chapter 76.

COMPLAINT PROCEDURE

An individual who has a complaint about a school practice or policy that does not concern the alleged violation of law or charter (e.g., a concern about an academic grade, the school's uniform policy, the school's cell phone policy, or the bus schedule) should address the complaint in writing to the Principal. The Principal will respond to the complaint in writing or in person within 14 days. If this does not resolve the complaint or if the complaint is about the Principal, the individual or group may file a complaint in writing to the Chairperson of the Board of Trustees, who shall then appoint the School's Managing Director from Uncommon Schools or another designee(s) to review the complaint. The Chairperson's designee will respond to complaints in writing within 30 days.

Should an individual wish to file a complaint with the Board of Trustees, it must be submitted in writing at least one week prior to the next Board meeting. Complaints submitted later will be addressed at the subsequent meeting of the Board of Trustees. Emergency issues will be dealt with on an as-needed basis, with the Board's designee responding at or prior to its next regular public meeting.

Every effort will be made to respectfully address each matter to the satisfaction of the individual or group that presented the complaint. Roxbury Prep will encourage all families to resolve all complaints at the school level in cooperation with the Principal. The Board, as necessary, may direct the Principal or other responsible party to act upon the complaint and report to the Board. The Board of Trustees shall render a determination in writing if appropriate or required.

BUILDING SECURITY

- All visitors, including parents and guardians, are expected to register with the Office Manager upon entering the school.
- The school maintains the right to deny entrance to any individual whose presence in the school might threaten the safety of students or staff or disrupt the academic environment.
